JESSE J SANCTUARY

House Rules
& Checkout Checklist

Jesse J Sanctuary offers cancer patients and their loved ones a peaceful place to rest, reconnect, and enjoy time together. We are glad you are here.

Helping with a few simple household tasks keeps our cleaning costs low so we can continue offering free stays and welcome more families.

During your stay

Clean as you go

Clean up after yourself and your family. Wipe kitchen counters, tables, and stovetops after meals; clean spills promptly and store food properly.

Care for shared items

Wash dishes or place dishwasher-safe items in the dishwasher after use. Return games, books, and other items to their places.

Take out garbage regularly

Tie bags securely, use the designated outdoor containers, and close container lids.

A safe, peaceful setting

No weapons or illegal drugs

No guns, ammunition, fireworks, or other weapons anywhere on the property, including vehicles. Illegal drugs and illegal drug activity are prohibited. Store prescribed medications safely, out of children's reach.

Keep a peaceful home

No threats, violence, harassment, discrimination, or disruptive conduct. Keep noise considerate, especially in the evening and early morning. No smoking or vaping inside; never leave cigarette waste on the grounds.

Care for children and visitors

A responsible adult must supervise children. Only registered overnight guests may stay; arrange visitors with the hosts in advance.

Respect the home and outdoors

Use outdoor fires only with host approval and instructions; never leave a fire unattended. Respect wildlife, landscaping, neighbors, and posted boundaries. Secure doors when away. Never disable safety equipment. Report damage, spills, broken items, and maintenance concerns promptly.

Before you leave

- ☐ **Tidy the home**
  Return items to their places, collect belongings, and wipe up spills and crumbs.
- ☐ **Remove your food**
  Take personal food from the refrigerator, freezer, and cupboards unless arranged otherwise with the hosts.
- ☐ **Take out the garbage**
  Empty trash cans, tie bags, and use the designated outdoor containers. Put recycling in its designated location.
- ☐ **Start the dishwasher**
  Load dishwasher-safe dishes, add the provided dishwasher detergent, and start a cycle. Hand-wash other items. You do not need to wait for the cycle to finish.
- ☐ **Bring used linens to the laundry room**
  Remove used sheets and pillowcases; gather used towels and washcloths. Leave blankets, comforters, and mattress protectors in place unless soiled.
- ☐ **Start one load of laundry**
  Follow posted instructions and use the provided detergent. Wash sheets and towels separately; do not overload. Leave remaining used linens in the designated area. You do not need to finish all laundry.
- ☐ **Check your belongings**
  Check drawers, closets, bathrooms, and outlets for clothing, medications, chargers, and other belongings.
- ☐ **Secure the home**
  Turn off lights and appliances, leaving the dishwasher and laundry cycle running as instructed above. Check faucets, close windows, and follow host instructions for keys and locking doors.

Need a hand? Please tell us.

If illness, fatigue, mobility limitations, or an urgent departure makes these tasks difficult, please let the hosts know. Your well-being comes first.

For an emergency, call **911**, then notify the hosts when safe.

Thank you for caring for this special place and the next family who needs it.
